

## **CEO, Eastern Africa Farmers Federation**

Mr. Stephen Muchiri has been working in the Agriculture sector for the last 20 years. He is the CEO of Eastern Africa Farmers Federation (EAFF), which is a regional network of 23 national farmer unions, federations and apex co-operatives in 10 countries covering EAC, Horn of Africa and DRC and with over 25 million members. EAFF's mandate is to represent, advocate, lobby, build capacity and provide information to farmers of Eastern Africa with the view of building cohesion and realizing prosperity of its members. EAFF executes its mandate through the organization of farmers.
